LLOYD'S REGISTER  
Recd. 31 AUG 1925

AND

LONDON

Dear Sir,

I beg to forward herewith first entry reports on Messrs Philip & Son's vessel No 69I and would be glad if, to meet the wishes of the builders, these could be dealt with early as Messrs Philip would like to have the certificate by next Thursday if possible.

At the last moment I have found that Messrs Philip, by an oversight, returned the machinery report ( which had been handed them for signature ) unsigned. This report will, however, follow on Monday.

The electric installation is not quite complete but it is hoped to forward the report some day next week.

All Fees have been paid.

I am, Dear Sir,

Yours faithfully,

*M. Ma.*

The Secretary,  
London.
