20th November, 1923.

Dear Sir,

British World Trade Expeditions Ltd.

I beg to acquaint you that the Society's Surveyors at Hull have forwarded to this Office your letter of the 15th instant addressed to them regarding their account rendered of fees due for the Special Survey held during the period February-October, 1923 on the twin screw steamer "BRITISH TRADE", ex "ORONTES".

With regard to your remarks, I am directed to point out that the fees in question, amounting in all to £64:5s require to be paid in full in order to entitle the steamer to retain her class in the Society's Register Book, and that failing payment by Wednesday morning, 28th instant, there will be no alternative but to bring the case of this vessel under the notice of the General Committee of the Society, who will no doubt give instructions for the vessel's class to be withdrawn from the Register Book as provided for in the Society's Rules.

I am, Dear Sir,  
Yours faithfully,

The Official Receiver  
in Companies Liquidation,  
BOARD OF TRADE,  
33, Carey Street,

Assistant to  
the Secretary.
