Istanbul, March 11th 1931.

McLAREN  
ENGINEER SURVEYOR.

DRESS:  
POSTA KUTUSU 187.

Sir,

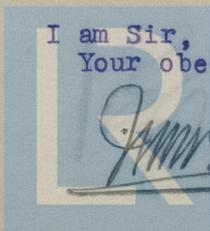

With reference to my letter of the 18th ultimo, respecting the Turkish steamer "BEBEK", I herewith enclose a letter now received from Mehmet Cemal Arit Bey of this port, the prospective purchaser of this vessel, which speaks for itself.

Mehmet Cemal Arit Bey hopes to take possession of the vessel in a very short time, and desires to have the vessel classed with this Society, with Refrigerating Plant, for Service in Turkey, and as vessel will proceed to Italy for the installation of the Refrigerating machinery, I have recommended that they should submit it to this Society's Surveyors in Italy, for the purpose of fulfilling the surveys necessary to obtain the class.

I shall be glad to know your further decision on this matter.

I am Sir,  
Your obedient servant,

The Secretary,
