Dear Sirs,

I have to confirm my telegram today, as follows:-

S.

"Crane barge SANDOW now SARUS Goole Shipbuilding Company
"pressing for certificate forward report tonight if
"survey complete if not state fully how case stands".

With regard to this case I may say that I have received applications for both the hull and machinery certificates, and it is stated that the fees for the survey of the machinery were paid on the 9th instant. The hull fees were paid so long ago as the 30th July last.

I am, Dear Sirs,

Yours faithfully,

Secretary

The Surveyors,
