LOYD'S REGISTER.
LONDON
25. MAY 1914

Sir,

With reference to your letter of yesterday's date enclosing the Middlesbrough First Entry Machinery Reports Nos. 8445 & 6 for completion, we have to inform you that the stern tubes, shafting and sea connections have been fitted here & the engines and boilers secured on board. The boiler mountings have not been fitted neither have any of the pipes, and the vessel has left here for Newcastle, where the crane is to be erected and the Machinery survey completed.

We have noted on the reports the work done here & forwarded them to Newcastle for completion.

We are, Sir,

Your obedient Servants,

The Surveyors,

PER.

Frank A. Sturgeon.

The Secretary,
LONDON.
