

26th July 1918

Dear Sirs,

With reference to Grimsby report No.10659 of survey held during construction on two Yarrow water tube boilers made by Messrs.Ruston Proctor & Co.Ltd. for a Twin Screw Minesweeper building by Messrs.Charles Rennoldson & Co., I have to acquaint you that I am now informed by the Society's Surveyors at Newcastle that these boilers are being fitted on board Messrs. Rennoldson & Co's No.199 vessel under the supervision of the Surveyors to the British Corporation, in view of the fact that a set of engines built under the survey of that Society has been transferred to the vessel, and I have to request that you will issue a certificate for the survey of the boilers in accordance with the instructions contained in my letter of the 16th March last.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,

GRIMSBY.
