Reference

Dear Sir,

Messrs. Ferguson Bros. (P.Gls.), Ltd.,  
Yard No. 377 - "EMPIRE FRIEDA" -  
Greenock First Entry Report No. 25237.

I have to acknowledge receipt of your letter of the 6th instant regarding the pumping arrangements of the above vessel and in reply have to state that the pumping arrangements have been fitted in accordance with the approved plan, the date of which is given on the first entry report as 27/6/45.

I have however to confirm that the circulating pump direct suction is 5½" dia. also that the bilge suction from the hold is one at 2" and not 6 as given on the report for which regret is expressed.

I shall be glad if you will amend the report accordingly.

I am, Dear Sir,  
Yours faithfully,

Charles J. Hunter

The Secretary,  
LONDON.
