Ministry of War Transport,  
Berkeley Square House,  
Berkeley Square,  
LONDON, W.1.

Gentlemen, High Close, Wokingham, Berkshire.

30th March, 1943.

"EDITH" - "ELSIE" and "HOOKE".

I have to refer to your letter of the 22nd March and request that no action regarding the classification of the above mentioned barges be taken for the moment.

Your Surveyor's report has received careful consideration and it is hoped, as a result of action now being taken by this Department, that it will be possible to renew the load line certificates and re-instate the lighters in your register with the continued application of the Society's rules regarding periodical survey.

A further communication will be sent to you when arrangements for overhaul and repairs are completed.

I am, Gentlemen,  
Your obedient Servant,

(Sgd) N.H. Benjamin.
