13th November, 1943.

S.

Dear Sir,

With reference to Glasgow First Entry Report No. 67705 on the motorship "EMPIRE TRAVELLER", I shall be obliged if you will kindly request the Surveyors to make the point clear as to whether all steam pipes are made of Bessemer steel and to forward the advice note for any that are so made.

I am, Dear Sir,
Yours faithfully,

pro Secretary.

The Secretary,
GLASGOW.
