

Copy of letter from Ste. Maritime Auxiliaire de Transports,
Siège Social : 1 Quai Jean Bart, NANTES. dated Oct. 15, 1917

Messrs The Perth Shipbuilding & Engineering Co., Ltd.,

A L L O A.

Gentlemen,

With reference to the steamers "NANTES" and
"BORDEAUX" you yard Nos. 26 and 28 - which you are completing
on our account and which have been built without an intermediate
bulkhead in the fore hold as is required by the Classification
societies Rules, please note that we agree to the emission
of this bulkhead and to accept the vessels as they have been
built in this respect.

Yours faithfully,

(Signed) l'Un des Administrateurs
délégués ,
