20th November 1917

Dear Sirs,

Referring to Mr. Henderson's First Entry Report No. 15287 on the S.S. "NANTES", I have to inform you that the letter referring to the omission of the intermediate bulkhead in the fore hold, which was stated to be enclosed therewith, does not appear to have come to hand, and I shall be obliged if you will be so good as to forward same or a copy of it.

At the same time I shall be glad if you will state clearly the names of the Owners of the vessel, in view of the discrepancy between your reports Nos. 15284 and 15287, and if you will also state whether the fore-castle beams are fitted with a back bar as shown on the plan.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

LEITH.
