REC'D 11 MAR 1921

ANSD 1/4/21

Dear Sir,

When at Arendal a short time ago we noticed the S/S  
" JOTUNFJELL " undergoing survey with the Norsk Veritas, and on  
offering our services to the owners we were informed that they  
were not required as they had resolved to relinquish our class  
and take that of the Norsk Veritas.

We than asked them verbally and by letter to reconsider  
their decision and to let us hear from them as soon as possible  
and herewith enclose <sup>their</sup> his letter together with a translation of the  
same, from which you will note that they have definately decided to  
abide by their former decision.

We shall therefore feel obliged if you would kindly  
withdraw this vessel's class with the usual three dots in the  
Register Book.

We are, Dear Sir

Yours faithfully

*Francis Pitson*
