The Second Special Survey No.3 became due on this Fleetwood trawler in September, 1937.

She has been laid up for some time past and, on the expiration of the year of grace in September, 1938, the Owners furnished the usual undertaking. They now state, however, that it is their intention to withdraw the vessel from class, and in these circumstances the Classing Committee, who had the case before them on Friday, 13th instant, decided to give instructions for the vessel's character to be expunged from the Register Book with a Red Line () indicating non-compliance with the Society's Rules.
