Dear Sir:-

With reference to your letter of September 28th, 1928.

This vessel has been laid up at Winslow, Washington, and was unexpectedly towed to Victoria this week.

The Society's Surveyor at Seattle has advised this office by wire, and also sent copies of correspondence in the case.

I understand that certain repairs are being considered, and the Master is waiting a reply from his Owners in Australia before giving instructions to proceed.

I enclose copy of a letter I am sending today to the Master.

I will advise you immediately by letter, or cable if necessary of any further developments.

Yours very truly,

FOR THE SURVEYORS.
