Dear Sir:-

You are no doubt aware that the Special Survey equal to a Half Time Survey is very much overdue on your vessel.

I understand that a preliminary survey was carried out afloat at Winslow, and certain recommendations made.

It is essential in order to maintain the vessel's class that this survey be completed before she proceeds to sea.

I shall be glad if you will advise me when the vessel will be ready for survey, so that arrangements can be made, and delay and inconvenience to your good self avoided.

Yours very truly,

FOR THE SURVEYORS.
