ENCLOSURE.

28th September, 1928.

Dear Sir,

I am in receipt of your letter of the 23rd ultimo with its enclosure relative to the Bkn. "FOREST FRIEND" and have submitted the same to the Committee at their meeting today. The Committee note from the letter addressed to you by the Owners that the vessel was due to leave Callao on the 21st ultimo for Puget Sound and they desire me to say that as the Special Survey equal to a Half Time Survey is now so very long overdue definite arrangements must be made for it to be carried out at Puget Sound or she will lose her class. In the circumstances I have cabled to you as per copy enclosed herewith.

I may say that I am forwarding the necessary instructions to the Society's Surveyors at Seattle and Vancouver.

I am, Dear Sir,

Yours faithfully,

Clerk to the  
Classification Committee.
