

W.D. Ackland-Horman, Esq.,  
Institute Chambers,  
PORT ADELAIDE.

bqnte. "FOREST FRIEND."

Dear Sir,

*man*  
Your favour of the 3rd inst only reached me this morning. The information contained therein is the first intimation that I have had that the above vessel was due for a special survey.

Speaking from memory, the last survey certificate was dated April 1927. Is this not supposed to hold good for twelve months?

The vessel is now due at Newcastle to load for Callao. From Callao she will proceed either to U.K. or a Pacific Coast Lumber port, where arrangements are in hand to have the vessel dry-docked and surveyed by your Principals.

Yours faithfully,

For Massey Wort Shipping Co. Ltd.

(Signed) L. M. MACDONALD.

Director.
