

Steam Trawler "ISLAND" ex "KUNGSHAMN" ex "OCEAN QUEEN"

It is submitted the IrlandsK Kompagni A/S might be informed that no survey appears to have been held on this vessel by the Surveyors to this Society since October 1923.

The vessel's class was omitted from the Register Book and three dots inserted, indicating withdrawal at Owners' request, in May 1924, and to render her eligible for re-instatement of class the requirements of a Special Survey No.3 should be complied with, and the vessel placed in thoroughly good and efficient condition to the Society's satisfaction.
