Dear Sirs,

With reference to my letters of the 25th February and 24th March last, to which no reply has been received relative to the steam trawler "OCEAN QUEEN", I shall be glad if you will let me know as soon as possible what arrangements have been made for the 2nd Special Survey No.1 of this vessel to be carried out, particularly as regards the boiler.

I am, Dear Sirs,

Yours faithfully,

Assistant to the Secretary.

The Surveyors,

GO THENBURG.
