The Secretary,

New York, N.Y.

Dear Sir:

We herewith enclose First Entry Reports on the Steamer "KAMOI", New York Shipbuilding Corporation's Hull No. 267. The plans are being forwarded to you under separate cover.

The tonnage figures given in the report are not official, but were given unofficially by the U. S. Customs Inspectors at Philadelphia who measured the vessel with a view to issuing a Panama Certificate, it being understood that the vessel will be re-measured by the Japanese authorities for Gross and Net tonnage.

The survey fees are based on the Gross tonnage given in the report.

Yours very truly,

H. J. Hance
