The Secretary,

Lloyd's Register of Shipping,

London.

Dear Sir,

Crane Steamer "Lisca" ex "Liscard"  
No. 59954 in the Register Book.

We have from the present Owners, Dampskibsselskabet  
"Hetland", Copenhagen, of the above named vessel received a re-  
quest if the vessel again can be classed with this Society and  
if so what requirement will have to be fulfilled, and we should  
be much obliged to be informed about this at your earliest con-  
venience.

If the class of SS Bkn. No. 3 - 12.43 is accepted the  
Owners ask if an extension of one year can be granted so that the  
class can run to 12.48.

The Owners point out that the centre boiler will not be  
used.

Yours faithfully,

*Clifford H.*
