*Survey of Screw Shaft, at joint of liners,*  
*due February 1925.*

On the 14th March last the Grimsby Surveyors stated they were informed by the Owners' Representative that arrangements would be made for the screwshaft to be examined at the joint of the liners before the end of that month.

A proposal of the Owners to have the 2nd Special Survey No.1 carried out during the early part of the summer was subsequently agreed to by the Committee.

In reply to enquiry the Grimsby Surveyors now write as follows:-

"We have again approached the Owners in regard to the

in which social means, in the absence

outstanding and overdue items of survey and we have been informed that they can make no definite arrangements to carry out the survey.

"The Owners also state that they are not particular as to keeping the vessel in class, owing to the present state of trade, and in the circumstances, we beg leave to submit for the Committee's consideration, that no further extension of time be granted in this instance and that the Committee deal with the class accordingly."

*It is submitted that the vessels class should be withdrawn from the Register Book & three dots (...) inserted, indicating withdrawal of class at Owners request*
