12th March, 1915.

Dear Sirs,

With reference to my letter of the 29th April last respecting the Special Survey No.1 which became due on the steamer "BARAO DE CAMETA" at the end of March 1914, I beg to acquaint you that the Committee have had under their consideration a letter received from Lloyd's Agents at Para in which they state that they have made repeated applications to you in regard to the survey but that you have not made definite arrangements to have it carried out.

In these circumstances the Committee desire me to say that as the survey is now so long overdue, steps must be taken for it to be held forthwith or they regret they will have no alternative but to give instructions for the vessel's class to be expunged from the Register Book.

I shall therefore be glad to learn by return mail for the Committee's information what steps you propose taking in the matter.

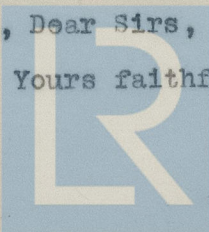

I am, Dear Sirs,

Yours faithfully,

Messrs.Mello & Co.,

PARA,

Brazil.
