15th March 1911.

Gentlemen,

With reference to your first entry report No. 6691 on the new steamer "BARAO DE CAMETA", I have to request that you will be so good as to forward a sample of Bowran's Bituminous Cement as required by Section 41 of the Rules.

In all future cases where such cements which have not received the approval of the Committee are proposed to be used samples should be forwarded for the consideration of the Committee before the vessel is completed.

I shall also be glad if you will let me know whether the use of this cement has been sanctioned by the Owners in this case.

I am, Gentlemen,

Your obedient Servant,

The Surveyors,  
MIDDLESBROUGH.
