

Bowran's Bituminous Cement

Submitted that before this case is placed before the Committee the Middlestons Surveors should be requested to forward a sample of Bowran's Bituminous Cement as required by Section 41 of the Rules. In all future cases where such cements which have not received the approval of the Committee are proposed to be used samples should be forwarded for the consideration of the Committee before the vessel is completed. They should state whether the use of this cement has been sanctioned by the Owners in this case.
