REPORT on the

*S. S. Vena*

Copy of Belfast Letter dated 6/9/28  
The owners <sup>regret</sup> very much that they have been unable  
to get the fairboard markings on this vessel correctly  
put on and repaired, so the vessel has not been  
sending to this Port. It is stated, however, that  
he will be loaded for Belfast in about a fortnight  
and they will make special  
arrangements to have the survey completed when  
he arrives here.
