2 ENCLOSURES.

26th April, 1923.

Dear Sirs,

I have to acquaint you that fresh freeboard certificates are required for the Steamers "RINA" ex "ALGETHI" and "VENA" ex "ALGEIBA". It is stated that the verification of the freeboards can be carried out at your port.

I therefore enclose a memorandum setting forth the freeboards assigned for each vessel, and I shall be glad if you will give the cases the necessary attention and forward the usual verification of marking form for each vessel, in order that the certificates may be issued.

I am, Dear Sirs,

Yours faithfully,

Assistant to the Secretary.

The Surveyors,

SOUTHAMPTON.
