5th May, 1902.

Sir,

With reference to the freeboard verification of marking form forwarded by Mr. Rowntree in the case of the new steamer "CLARENCE", I shall be glad to learn whether the necessary facilities for the crew to get to and from their quarters have been fitted in the vessel, in accordance with the terms of the freeboard assignment dated the 25th ultimo.

I have to point out that when a freeboard marking form is forwarded to this Office, mention should always be made as to compliance, or otherwise, with the condition (if any) upon which the assignment of freeboard is made.

I am, Sir,

Your obedient servant,

T.J. Dodd Esq.,  
GLASGOW.
