the case of the five small steamers building by Messrs
I beg to forward sketches underlined in red shewing three
types of anchors proposed for these vessels.

- Three sketches of ordinary anchors. *marked "a", "b", "c"*
- One sketch of a stockless anchor. *"d"*
- One sketch of a four fluked anchor. *"e"*

Members have been advised that the three sketches of the ordinary
are suitable but that the sketch of the stockless anchor &
four fluked anchor is being forwarded to you for your consid-
and that on receipt of your reply I will again communicate
a.

It is submitted the stockless anchor which appears somewhat
to Taylors anchor might be approved, the proposed four fluke
is not so handy.

I am, Sir,

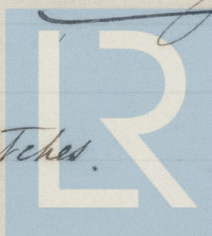

Your obedient Servant,

Bernard J. Hes.

Secretary,

London.

Please return the 2 sketches.
