71, Fenchurch Street, E.C.3.

12th April, 1939.

Dear Sir,

H. I have to acquaint you that the Committee have today had before them a report from the Society's Hong Kong Surveyors on the Motorship "ANTONIA", and that the vessel has been classed 100 AI with notation of LMC 2.39.

It is stated that a circuit breaker with overload and reverse current trips will be fitted at Manila, and, in the circumstances, I shall be glad if you will forward a report on the installation of this item.

I am, Dear Sir,

Yours faithfully,

pro Secretary.

E.R. Sanderson Esq.,

MANILA.
