31st August, 1926.

Dear Sirs,

S.

Reverting to your letter of the 22nd ultimo respecting your tug "FOAM", I am directed to acquaint you that the case of this vessel occupied the attention of the Committee at their meeting to-day, and in all the circumstances the Committee regret that as no further arrangements appear to have been made for the submission of the vessel to the necessary survey and permanent repairs, they have had no alternative but to expunge the class from the Register Book with a red line, indicating non-compliance with the Society's Rules.

I have to add that in view of the withdrawal of this vessel's class the record of the freeboard assigned by the Committee, together with the corresponding draught, will also be withdrawn, and the freeboard certificate is thereby cancelled and should be returned to this Office.

I am, Dear Sirs,

Yours faithfully,

Messrs. The Foam Towing Co. Ltd.,
119/120 London Wall,
E.C.2.

Clerk to the
Classification Committee.
