Dear Sirs,

I was duly favoured with your letter of the 12th instant respecting the tug "FOAM", and have again submitted the case to the Committee at their meeting to-day.

The Committee note your remarks, and in the circumstances they have decided to defer action in regard to the vessel's classification for one month, in order that you may have time to receive a reply from your Cyprus Agents in regard to the carrying out of the necessary survey and permanent repairs.

I am, Dear Sirs,

Yours faithfully,

Clerk to the
Classification Committee.
