INTERNATIONAL CONVENTION 1930 RESPECTING  
LOAD LINES.

RENEWAL SURVEY IN ACCORDANCE WITH  
ART. 14 OF THE CONVENTION.

(Port) CALCUTTA

(Date) December 29th. 1942.

I have to report that I have surveyed the S.S. "ASHRIDGE"  
84 tons gross register of Hong Kong O.N. 120500  
on this date.

I have compared the arrangements on board the ship with  
those given in the original freeboard report and I have found them to be  
in agreement therewith or equivalent thereto, and the whole to be in efficient  
condition.

Vessel has been seen in drydock and a General  
Examination Survey held.

Certificate valid for two years only should be  
issued in this case.

The freeboard marking has been verified and found to agree  
with the freeboards given on certificate No. 1 dated                       
which is returned herewith.
