97 & 98, Scottish Provident Buildings,  
Donegall Square, West,

LLOYD'S REGISTER, 18th October 1921.  
LONDON.  
RECORDED  
ANSW

The Secretary,  
London.

Sir,

We beg to advise you that the Master of the S. S. "ATLANTIC MARU" No. 09092 in the Register Book, has called at this office and requested to be supplied with freeboard certificates for the assignments already made to this vessel. It would appear that provisional certificates have been issued by the Kobe Surveyor, which state that the marks have been verified and certificates will be issued in due course. We shall feel obliged, therefore, by having same forwarded.

The vessel is expected to sail in about a fortnight's time and certificates are necessary to enable her to clear.

We are, Sir,

Your obedient servants,

The Surveyors,

per

Referred to the Chief Ship Surveyor

& for Mr. Wood to note.

19 OCT 1921

*This submitted a copy of certificate dated 9.3.21  
since he forwarded to Belfast Surveyor for  
forwarded to Mr. Wood 20.10.21  
above date.*

...the vessel is expected to sail in the month of August and the certificate necessary to enable her to proceed to sea will be issued in due course. As soon as the vessel has been examined and the necessary certificates issued, the vessel will be allowed to proceed to sea. It is noted that the vessel has been examined by the Chief Surveyor and the necessary certificates issued. It is noted that the vessel has been examined by the Chief Surveyor and the necessary certificates issued. It is noted that the vessel has been examined by the Chief Surveyor and the necessary certificates issued.
