QUESTION

ANSWER

With reference to your memorandum of the 19th December, it would appear that the ship did not come under the inspection of the Mobile Surveyors as anticipated, and I shall therefore be glad to learn what arrangements have now been made for the drydocking to take place.

Date:— 12th February, 1958

This Vessel will arrive at Venice towards the 18th instant where she will be placed in Dry-Dock for Survey.

Copy of this memo is also being sent to Mestre (Venice) Surveyors.
