LONDON

Dear Sir ,

I beg to acknowledge receipt of your classing letter of the 10th instant respecting the Steamer "GRANDLIEU", and in reply thereto, wish to say that I considered it unnecessary to drill the shell plating, the vessel being found in good condition.

The electric lighting installation was examined as part of the Special Survey and found in good condition.

I regret these errors and trust that this will place the matter in order.

I am , Dear Sir,

Yours faithfully.
