ENCLOSURE

10th February, 1932.

Dear Sir,

I have to acknowledge the receipt of your letter of the 6th instant enclosing a sketch showing a proposal to attach the deck plating to the beams by means of electric welding instead of by riveting in the steamers "CAMBRONNE" and "GRANDLIEU", and with regard thereto I have to state that provided the arrangements be carried out as shown thereon, and to your satisfaction, they will be approved.

The diameter of the holes for the spot welding should be $\frac{7}{8}$ " diameter, and the spot welding should be carried out to your satisfaction.

The sketch is returned herewith.

I am, Dear Sir,

Yours faithfully,

Secretary.

R.J. Easthope, Esq.,

NANTES.
