

18th August, 1949.

Dear Sir,

I am in receipt of your air letter of the 11th instant respecting the Steamer "LEEK" and your remarks regarding this vessel are noted.

In reply I have to inform you that, in the first instance, plans showing the proposed alterations to convert this tanker to a general cargo vessel and showing alterations of the pumping arrangements should be submitted to this Office for approval, and perhaps you will arrange for these documents to be forwarded as soon as possible, after which I will write you further in the matter.

Your remarks regarding the M.V. "ZINNIA" are also noted.

Yours faithfully,

Clerk to the  
Classification Committee.
