In reply to your favour of yesterday's date, we beg to inform you that the s.s. "SORKA" was carefully kept up during the time she was lying here.

The vessel was launched 9-2-17 and she was placed on the slip, cleaned and painted on the following dates 10-9-17, 9-8-18, 20-6-19, and 26-8-19. On the latter date for fixing the propeller only.

When she was put in the water again the painting was still in good condition.

Hoping that this information is satisfactory,

We are, &c&c&c&c.
