ENCLOSURE.

13th January, 1936.

Dear Sirs,

Reverting to my letter of the 6th ultimo respecting the steamer "GUN 7" I have to inform you that I have today received from Lloyds a debit note for 15/9d being part of the cost of the cablegram which they received from their Agents at Dakar, giving information as to the departure of the vessel from that port.

As this information was the outcome of Messrs. Salvesen's request that a cablegram should be sent to Lloyd's Agents, it is concluded that they will raise no objection to paying this item.

I enclose the debit note in question and shall be glad if you will endeavour to collect the amount and transmit the same to this Office.

The enclosed debit note should be returned in due course.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,  
LEITH.
