# Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

16th December, 1935.

Dear Sirs,

With reference to your letter of the 13th instant respecting the request you have received from Messrs. Chr. Salvesen & Co. for a survey to be held on the "GUN 7" on her arrival at Tonsberg, with a view to the Society's Surveyor ascertaining her condition and making recommendations for necessary repairs, I have to inform you that, in the circumstances, this request will be acceded to, and I am accordingly passing on the necessary instructions to the Society's Surveyors at Oslo, who attend to surveys at Tonsberg.

This request has of course been agreed to on the understanding that they are entitled to make the request as the actual Owners, otherwise it will be necessary to obtain the Owners' consent before the survey can be carried out.

I am, Dear Sirs,

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,  
LEITH.
