Leith, 13th December, 1935.

Dear Sir,

Following the receipt of the copy of your letter of the 10th instant which you addressed to the Owners of the Whaler "GUN 7", we have had a further interview with Messrs. Chr. Salvesen & Co.

They inform us that it is their intention to dry dock the vessel on arrival in Tonsberg in about ten days time from now, in order to ascertain her condition. They will be guided by the recommendations of the Society's Surveyor regarding the necessary repairs, and on receipt of these recommendations they will decide what will be done with the vessel. Messrs. Salvesen will be obliged therefore if you will instruct the Society's Surveyor, who attends at Tonsberg, to carry out this survey on their behalf, when he is advised that the vessel is in dry dock.

We are, Dear Sir,

Yours faithfully,

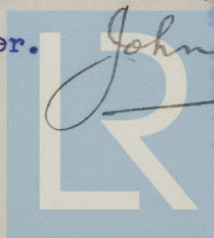

THE SURVEYORS.
