# Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

11th December, 1934.

Dear Sirs,

H. I have to acquaint you that from a report received from Lloyd's Agents at Walvis Bay in October last on the whaler "GUN 7", it would appear that to entitle the vessel to the record BS 9.34 the safety valves require to be adjusted under steam, and I shall be glad if you will ascertain from the Owners, and let me know, what definite arrangements they propose making for this matter to receive attention.

I am, Dear Sirs,

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,

OSLO.
