Dear Sir,

Escort Vessel "JELLY" ex "Shiant"

069  
in  
RB

I duly received your letter of the 13th instant, and note that the new Owner, Mr. Johan Evandt, Minde per Bergen, intends to convert the above vessel to a cargo ship, and desires classification with this Society.

In reply, I have to inform you that this vessel, an A/S M/S trawler, was built under the Society's supervision in 1941, and the conditions of classification are the same as those already communicated to you for similar vessels.

It is further noted that plans of the proposed alterations will be submitted for approval. These should include full particulars of the oil engine which it is intended to instal.

Yours faithfully,

S.A. Bide, Esq., B.Sc.,  
BERGEN.
