

ESCORT VESSEL "JELBY"

The Bergen Surveyor states that Mr. Jonan Evandt has bought the above vessel, which is to be submitted for alterations as a cargo vessel and classed by this Society.

This vessel an A/S M/S Trawler, was built under the supervision of this Society in 1941, and the conditions of class are the same as those already communicated to the Bergen Surveyors for similar vessels.

It is submitted they be informed accordingly.

J.M.
 19th November, 1946.

lcr 13.11.46
 am 22.11.46 (pc to Dept)

It is noted that plans of the alterations will be submitted for approval and these should include full particulars of the oil engine it is proposed to install
