Extract from letter dated 29th September received from _____

Mr. H. Jasper Cox, KOBE.

Original letter with s.s. "PENANG MARU"

Vessel's Name s.s. "KONAN MARU"

In the first place I may say that it has been finally decided to withdraw the following vessels from class:-

<u>Steamer</u>	<u>Owners</u>	<u>Letter of withdrawal dated.</u>
*Taiyei Maru	Nippon Yusen Kaisha	1. 4. 21.
*Penang Maru	,, ,, ,,	17. 5. 21.
*Tokushima Maru	,, ,, ,,	17. 6. 21.
*Tottori Maru	,, ,, ,,	17. 6. 21.
<u>Konan Maru</u>	Osaka Shosen Kaisha	14. 7. 18.
Hongkong Maru	,, ,, ,,	14. 7. 18.
America Maru	,, ,, ,,	14. 7. 18.
*Chosen Maru	,, ,, ,,	11. 4. 21.
*Alps Maru	,, ,, ,,	not yet received

Some of these vessels are not yet due for survey and their withdrawal from class is to take effect on the expiration of their existing certificates. Those vessels marked with an asterisk are now classed with the Kaiji Kyokai and the British Corporation.
