LONDON.

30th January, 1947.

Dear Sir,

S.S. "FOO SHIN".

With reference to my airmail letter of the 29th November last, to which no reply has yet been received, I shall be glad to learn whether this vessel has now been submitted to the outstanding items of survey. If not, I have to request that you will advise me as soon as possible what arrangements have been made in the matter.

You will observe that a further Boiler Survey becomes due at the end of the present month.

Yours faithfully,

Clerk to the  
Classification Committee.

J. A. Stewart, Esq.,

SHANGHAI.

S. I shall be glad if you will advise me of any information you may be able to obtain from the Meyer Navigation Co., the new Owners of the "MAKO" now named "MEI HWA", relative to the Special Survey, which became due so long ago as September, 1945.
