THE SECRETARY,
LONDON.

*Ans
22-1-26*

Sir,

I beg to acknowledge receipt of your letter of the 6th instant, with enclosure, respecting the steamers "PARAME" and "CABOURG".

In reply thereto, I regret to say that since the Paris letter of the 6th October 1922, the Societe Maritime Nationale, while being very courteous with the Society, are not disposed to modify their usual practice which is to class with the Bureau Veritas every vessel which comes into their fleet.

In my opinion, no further attempt should be made as it would only result in a further refusal.

I am, Sir,

Your Obedient Servant,

(Signed) G. DEMAREST
