Survey Due

This vessel was built under Special Survey for the Admiralty and was assigned the Class of "A100A1" - "For Admiralty Tender Services" - "12,45", "ALMC 12,45".

In accordance with the usual practice particulars were entered in the "GHOST" Book but not in the ordinary Register Book.

A letter has now been received from the Director of Victualling, Admiralty, intimating that it is not desired to maintain the vessel in classification, and it is therefore SUBMITTED that, as in previous similar cases, her class should be withdrawn from the Ghost Book.
