

FREEBOARD REPORT on the

Island Commander

It is submitted the Vancouver Surveyors be advised that before new L.L. certs valid for the full period of 4 yrs can be issued a full condition survey must be completed & reported a Rpt 8 sent in to this office.

In this survey in addition to the docking already reported, the bunkers are to be cleared, the lumbers, ceilings & stowhold plates lifted to enable the floors and framing to be examined.

If the full survey is not held certificates can only be issued for six months following a General Examination.
